

GNAA Issues Ultimatum To 'Reestart'

Candidate for immediate press release

After a series of (primarily one-sided) engagements with Mister 'Reestart', due to his egregious crimes against gayniggerdom, our fellow shareholders have decided to issue an ultimatum to this individual. His reprobacy against our fellow brothers and thugs are beyond evil and can be argued that it is but a manifest of his own closeted sexual intentions.

"GNAA will no longer tolerate such intemperance against our homo-thugs and our agents. This is an ultimatum to Mister Reestart, to join our Discordian server and renounce your previous sins. As part of forgiveness, it is only natural for you to join a GNAA voice call under supervision from our agents, and do 150 naked jumping jacks." Proclaimed Calin Phugshaik, a spokesnigger for the Association. A wave of cheers swept through the crowd as musk emanates from the sky, condensing a thick fog, shrouding the spokesperson.

"Furthermore," he added, "GNAA uberniggers have created a warning poster in order to warn our fellow affiliates and honorary members of this 'Reestart'. Seen [here](#), no more will gay niggers be discriminated against under his false pretenses." Cheers erupt from the crowd as a massive bukkake ovation erupts from the audience – the lectern was all but covered in a viscous gloop of snow.

Reestart has consistently been a surmountable nuisance; and thus our agents seek to surmount such an irritant and liberate him.
