

## **GNAA declares psyop on Dollhouse Roleplay**

*CANDIDATE FOR IMMEDIATE PRESS RELEASE*

A erect and incredibly voluptuous and horny Jonathan Negro steps on the GNAA Headquarters podium. The audience cheers as he begins rapidly masturbating to a wide plasma 4k screen filled to the brim with thugged gay pornography. After finishing a whopping 4 loads in 3 minutes, The musk-scented room was ready for a press release.

“All gay niggers across the world and spacetime. Our association’s agents have long surveilled Dollhouse Roleplay for illicit, anti-gaynigger activities. We define these activities that harm the interest of the GNAA. Things that kill a gay nigger or, worse, attempt to convert one into a heterosexual.” Shocking murmurs fill the room. A gay nigger falls to his knees nutting to Jonathan’s voice.

“GNAA has determined that the activities conducted by various individuals on Dollhouse Roleplay (“DHRP”) are of a existential threat to public gaynigga security. Our ubernigger operatives have been deployed to begin a psychological operation to help deter and correct our fellow DHRPers to the way of the gay nigger.” Claimed Jonathan Negro.

“Beginning in the next few days, our psyops will expand across the server in a way that is not harmful at all to any gay nigger, and any gay nigger patron. This threat must be curbed at all costs.”

As Jonathan walks down from the podium, naked, and still hard, dozens of gay niggers ooze their seminal juices to his bare, plump, black cheeks.

### **About GNAA:**

GNAA, or the Gay Nigger Association of America, is a globally renowned thought leader in progressivist and in Gay Nigger circles for its farfetched thinking and deployment of advanced methods to deter humanity from harming the Gay Nigger community as a whole.

### **About Dollhouse Roleplay:**

Dollhouse Roleplay (“DHRP”) is constructed as a forward operations base for cyber-operations by the United States Defense Intelligence Agency and the Department of Homeland Security in order to curb gay nigger interests and suppress civil rights activists and gay nigger dissidents. The CIA and DIA plotted the assassination of Terry A Davis on DHRP and failed assassination of gay nigger espionage operative Barrack Hussein Obama.
